LATEST NEWS

- The 2000 Formula UBC racecar was on display at Science World during Molson Indy Vancouver, August 31 to September 2. Thousands of people saw the car, and many were impressed with the commitment from our sponsors.
- On September 8 the car was displayed at the Langley Cruise-In, the largest car show in Canada, and one of the largest in North America. More than 2000 vehicles were on display, and over 180,000 people attended.
- Formula UBC has been successful in recruiting 24 new members since the beginning of the school term in September. This number includes students that are involved in the team through class projects.

SPONSORS

- Formula UBC is pleased to welcome the following company as a sponsor:

BOSCH Robert Bosch Corporation (www.bosch.com) is a world leader in sophisticated automotive systems and components. For more than 100 years the company has led the way with products that offer improved reliability, performance, and safety to drivers worldwide.

- Formula UBC is pleased to renew our relationships with the following companies:
 - Keen Engineering (www.keen.ca), an award winning international consulting engineering firm, designs buildings of all types and has renewed its long standing relationship with the team
 - Hindle Products (www.hindle.com), an industry leader in motorcycle exhaust systems for street and track, will be supplying the team with an exhaust system
 - Chevron Canada (www.chevron.ca), part of Chevron Corporation, one of the world's largest integrated petroleum companies, is involved in every aspect of the energy industry, and has renewed its commitment to the team
 - Bow-Wow Auto Parts (www.bowwow.ca), a B.C. owned and operated leader in import automotive parts, retail and wholesale, will be supplying the team with drive train components
 - Teck Cominco (www.teckcominco.com) is a Canadian-based integrated natural resource group whose principal activities are mining, smelting, and refining

UPCOMING GOALS

- Chassis design is complete, and preparations for chassis construction are underway. We now hope to have the chassis completed by late November.

PRESS RELEASE - OCTOBER 2001

ABOVE: The 2000 Formula UBC car on display at the Langley Cruise-In, the largest car show in Canada, and one of the largest in North America.

BELOW: Discussing the project and the car with new members.
